340BE A CERTIFIED EXPERT

Apexus Advanced 340B Operations Certificate Program

INDUSTRY STANDARD. VALIDATED EXPERTISE.

BECOME A 340B EXPERT

The Apexus Advanced 340B Certificate Program provides all the education and insight you need to understand the issues, maintain compliance, and manage your 340B program effectively. The assessment-based online curriculum offers in-depth 340B training that you complete at your own pace. Once you successfully complete the program and become a 340B ACE (Apexus Certified Expert), you'll join a group of experts with the most advanced level of 340B knowledge in the industry.

340B ACES GAIN MORE KNOWLEDGE

INCREASE **30%**

Learners increased their final exam score by 30 percent from their baseline exam after completing the Operations Certificate Program.

Stand Out Among Your Peers

The curriculum is tailored for **high-impact** 340B roles:

- 340B Managers/Coordinators
- Consultants
- Pharmacy Directors
- Purchasers/Buyers
- Suppliers and Software Vendors

Become an Apexus Certified Expert (ACE)

WHEN COMPLIANCE ISN'T OPTIONAL, NEITHER IS EXPERTISE

The program is designed to improve your understanding of compliance challenges, audit preparedness, and best practices.

Organizations hiring a 340B manager or consultant can use the public 340B ACE search feature to validate the expertise of ACEs to ensure they're recruiting experts that meet the industry standard for 340B knowledge.

ACCESS EXCLUSIVE 340B RESOURCES

Be a part of a unique community with access to exclusive tools that include webinars, videos from market leaders, and more.

Once registered, you'll receive an invitation to a private LinkedIn group that allows you to connect directly with other learners and 340B experts.

340B Apexus Certified Expert search available

The Advanced 340B Operations Certificate Program is a separate Apexus offering that is not a part of the 340B Prime Vendor Program or otherwise associated with the Prime Vendor Agreement between HRSA and Apexus.
